## Summary

I am a BBA Business Analytics student at Kristu Jayanti University with an interest in business, data, and creative work. I am currently developing my skills in Excel, data analysis, and digital editing while exploring how data can be used to understand business problems and support better decisions. I am also founder of "BizLens" , An AI Business Analyst which enhances the Business by providing Insight, Business Report and Trend Analysis with minimal cost. I enjoy learning new tools, working on practical projects, and improving

my technical and creative skills. I am particularly interested in opportunities that allow me to gain practical experience and learn from real-world business situations. Skills I am currently developing:

- Microsoft Excel
- Business Analytics
- Data Analysis
- Creative Editing
- Presentation and Communication
- Problem Solving

I am always open to learning, connecting with other students and professionals, and exploring opportunities that help me grow.
